English	Maths	Science
As readers and writers we will: ● Read ‘Romans on the Rampage’ by Jeremy Strong ● Writing a poem based on ‘The coming of the iron man’ by Brenda Williams ● Writing a character description ● Writing an explanation text based on ‘Girl and Robot.’ ● Follow Read Write inc. for our spelling. ● Learn the Year 3 SPaG objectives as part of our writing journeys.	As mathematicians, we will learn about addition and subtraction as well as multiplication and division: <u>Addition and Subtraction</u> Add and subtract 2 numbers across a 10 Add and subtract 2 numbers across a 100 Add two and three-digit numbers Estimate answers Check our calculations using inverse operations <u>Multiplication and division</u> Revise multiplication as equal groups Revise division by grouping and sharing Revise multiples of 2, 5 and 10 Learn the 3 times table and related division facts Learn the 4 times table and related division facts Learn the 8 times table and related division facts	As scientists we shall be learning about friction and magnets. We will: ● Understand friction and why it is useful. ● Investigate how height and different surface materials can affect the speed of an object. ● Understand how magnets work. ● Investigate materials that are magnetic and those that are not. ● Learn about different types of magnets.

Year 3 - Autumn 2

The Roman Invasion of Britain

<u>History</u>
As historians, we will find out about the Roman Empire and the invasion of Britain

This half term we will:

- Learn how the Romans were ruled
- Explore the effectiveness of the Roman army
- Sequence the Roman invasions of Britain
- Learn about Boudicca and the Celtic resistance
- Explore changes the Romans made to Britain

<u>P.S.H.E.</u>
In PSHE this term, we are learning about 'Valuing difference.'

To learn more about this at home, follow this link:
https://www.coramlifeeducation.org.uk/family-scarf/scarf-at-home/valuing-difference

<u>R.E.</u>
Our RE question this term is 'Has Christmas lost its true meaning?'

<u>French</u>
In French we will be learning 'Les Formes' - shapes!

<u>Geography</u>
As geographers, we will be learning about the Roman Empire

This half term we will:

- Learn why the Romans settled in Rome
- Understand the growth of the Empire
- Identify impacts of the Roman invasion on land use and human features

<u>DT:</u>
As design technologists, we will:

- Learn about foods from the Iron age and talk about the impact of seasonality.
- Make Bannock Bread.
- Evaluate our Bannock bread and make suggestions for improvements.

<u>Music</u>
We will be continuing with our unit on Rhythm and pulse to help us learn how to read music.
We will then be looking at compositions inspired by Stravinsky.

<u>P.E.</u>
In PE we will be doing dance and football.
