

English
Writing

- *Writing to entertain*
 - 1) Writing a monologue from Cameron's view about the swimming pool incident - based on Chapters 1 and 2 of 'Pig Heart Boy'.
 - 2) Writing an information text about the circulatory system (including key science and historical knowledge).

Incorporating the Year 6 *GPS* curriculum and daily revision for SATs.

Guided Reading
Pig Heart Boy by Malorie Blackman
Plus other texts relating to 'Circulation'.

Spelling - RWI scheme

Handwriting

Maths

Measurement - converting units

- Metric measures
- Convert metric measures
- Calculate with metric measures
- Miles and kilometres
- Imperial measures

Shape

- Measuring and classifying angles
- Calculating angles
- Angles in triangles, quadrilaterals and polygons
- Circles
- Drawing shapes accurately and nets of 3-D shapes.

Position and direction

- The first quadrant
- Read and plot points in four quadrants
- Solve problems with co-ordinates
- Translations
- Reflections

Daily revision for SATs

Science

Circulation

- identify and name the main parts of the human circulatory system, and describe the functions of the heart, blood vessels and blood
- recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function
- describe the ways in which nutrients and water are transported within animals, including humans

RE

Theme: Beliefs and Meaning

Religion: Islam

Key question for this enquiry: Does belief in Akhirah (life after death) help Muslims lead good lives?

Learning objective: We are learning that the concept of Jihad can be interpreted differently leading to different actions and consequences.

Year 6 Summer Term 1
