

English

As readers and writers we will:

- Finish 'An Alien in a Jam Factory'
- Read 'Dotty Inventions and some real ones too'
- Read a range of extracts linked to our topic
- Write a character description of the Giant from Jack and the Beanstalk
- Re-write Jack and the Beanstalk, with a twist
- Write poetry about the seaside
- Use the Read, Write, Inc spelling program
- Learn the Year 2 SPaG objectives as part of our writing journeys.

Maths

As mathematicians, we will learn about fractions as well as exploring different ways of representing and interpreting data. We will begin learning about telling the time.

Fractions

Equal and unequal

Recognise and find half, quarter, thirds and three-quarters

Understand that half is equal to two-quarters

Statistics

Make tally charts, tables and block diagrams

Draw and interpret pictograms

Time

O'clock, half past, quarter past, quarter to

Times to and past the hour

Science

As scientists we will be reviewing and extending this year's previous learning.

This half term we will :

- Learn about seasons
- Revisit life cycles, including the life cycle of a human
- Learn what people need to stay healthy
- Find out what animals live on the British coastline
- Think about these animals features and how these can be sorted

History

As historians we will be leaning about railways and trains.

This half term we will:

- Consider the advantages and disadvantages of methods of travel in the 1800s.
- Find out about the Navvies
- Compare trains from the 1800s and today
- Learn about the development of underground railways

Year 1 and 2 - Summer 1

The British Coastline

P.S.H.E.

In PSHE this term, we are focusing on the theme 'Being my best'.

R.E.

Our RE question this term is 'How so some people talk to God?'.

P.E.

We will continue to be taught P.E. by S4A on Thursdays and will be taught by the class teacher on Fridays. We will be focusing on football fundamentals and target games.

Geography

As geographers we will be focusing on the coast.

This half term we will:

- Revisit the seas and oceans
- Identify human and physical features of the coastline
- Learn about features of the ocean
- Compare Lyme Regis with St Lucia
- Explore the impact of plastic pollution

Art

As artists we will be using sculpture to make birds. We wil draw from observation before exploring 3D art.

Music

In music we will be learning to play the ocarina.

Computing

As computer scientists we will be learning how to create digital music.
