Heating

I am pleased to announce that the heating is finally working in lower school. Year 2 and 3 will return to their classrooms on Monday morning. As Years 1 and Reception are out on a school trip on Monday, they will return to their classrooms on Tuesday

Staff News

Last year Miss Irvine graduated with a degree in Psychology.

She has now secured a position where she can use her degree and will therefore be leaving. Her last day will be Friday 13th February 2026. I am sure you join me in wishing her all the best for the future.

We are advertising for a TA position and will let you know as soon as we've recruited.

Hair

Please can I remind you that children with hair longer than shoulder length should have it tied up. The office have had a number of requests for headbands this week. We don't keep these as spares.

Grendon Underwood School
Muddy Boots Nursery

This week has flown by at Muddy Boots, we have been so busy!

We have been looking at the seasons, especially winter and this week we have been able to see the effects of all sorts of winter weather in our garden and our mud kitchen. We know that we have to wear different clothes depending on the weather.

We have looked at ice and we know that water turns to ice when it gets really cold and ice turns to water when it gets warm!

We have looked at other things that melt too and made cheesy pizzas to see what happened to grated cheese when we put it in a hot oven.

We have looked at animals that live in the wild in England. We know that England is in Britain so these animals can be called British wildlife.

We have looked at the story of owl babies and we know that owls sleep in the day and come out at night and this makes them nocturnal.

We hope you have a lovely weekend and look forward to seeing you next week.

Team Muddy Boots.

Star of the week!

Tadeusz (R), Benji (1), Hallie (2), Isabella (3), Ben (4)
Blythe (5), Swaroop (6)

Courage wristband

James (R), Tenaya (1), Billy (2), Imogen (3), George (4) Max (5),
