

Please can we ask parents to check children's bags before coming to school. We are seeing an increased amount of personal belongings being brought into school. To ensure that they are safe, please keep them at home.

### Parent consultations

We have changed the parent and carer consultation meetings in March. This is to ensure that children's learning is not disrupted. These will now be on Wednesday 18th March and Thursday 19th March. The consultations will take place after school on both days. Timings will be confirmed near the time.

At this time of year there are lots of coughs and colds about. Please do not send your child in to school with cough lozenges or throat sprays. If your child has chapped lips, a lip balm may be used but it must be handed to the class teacher to look after in between uses.

## **Parent webinars on county lines and criminal exploitation (Iverson Trust)**

The Iverson Trust (formerly Pace) is a national charity working to keep children safe from exploitation by supporting parents, disrupting exploiters, and working in partnership with police and family services. Their work is grounded in a trauma-informed, family-centred approach.

During March 2026, the Iverson Trust is delivering a series of live webinars for parents and carers focused on county lines and criminal exploitation. The sessions help parents understand how exploitation happens, how children are groomed, what warning signs to look out for, and where to access advice and support. Each webinar includes local context, time for questions, and input from a parent with lived experience.

This week in Muddy Boots we have been exploring London.

We built London in our garden and took a tour on an open top bus to see the landmarks we have been learning about.

We have used our cutting skills to make London buses and become artists drawing London landscapes. We rode the underground and we have talked a lot about things that make London different to where we live and we now know that London is the capital city of England.

Have a great weekend Team Muddy Boots
